For: *Stock Market Tool and Analysis and Modelling Process*  
Our Reference: 3029-101

Dear Examiner Kyle:

You are the Supervisor in the above-referenced matter. The Examiner handling the case is Linda Perry. I telephoned you a couple of weeks ago and left you a message, which I now wonder if you have received. I would like to have a short telephone interview with you and Ms. Perry to discuss the application. I believe that there are several issues which can be clarified by speaking on the phone which will help determine the best way to advance prosecution. I do not expect such an interview would take more than 20-30 minutes.

I would be more than willing to provide you with ample information in the form of an agenda and substantive talking points in order help prepare you for the teleconference.

Please call me at 202-783-6040 and let me know if and when we could have an telephonic interview.

With best regards.

If any problems in connection with this facsimile, please contact: Jeannie 202-783-6040.
